TO : Deputy Director/Plans

SUBJECT : Meeting of President's Foreign Intelligence Advisory Board,

REFERENCE: DCI Discussion, 1030, 13 September 1963

The following items are those which Mr. Clifford has indicated to the Director that he would like to discuss on Friday which directly concern the DD/P.

a. "Counterintelligence posture of U. S. foreign intelligence agencies. (DCI's appraisal of current effectiveness. DCI's views on methods for strengthening posture, in light of damage to U. S. classified information, intelligence and sources resulting from recent Soviet espionage operations in several NATO countries.)"

The DCI feels that the memorandum on recent cases is partially responsive. However, he requests that the DD/P forward his views on recommended corrective measures.

b. "Cuba. (DCI's appraisal of the adequacy of U. S. clandestine intelligence collection activities [redacted] currently directed against Cuba and his appraisal of the current status of Soviet-bloc personnel in Cuba.)"
